

*Volunteer to Plant a Tree for Arbor Day and **Green** the Midtown Greenway!*

# **Midtown Community Works 9th Annual Arbor Day Event**

**Saturday, May 2, 2009**

***Rain or Shine***

**9:00 a.m.** Kickoff ceremony on the Greenway near the new Sabo bicycle / pedestrian bridge (east side of Hiawatha)

**9:30 a.m.** Begin Planting

For the 9th annual Arbor Day on the Midtown Greenway, volunteers will celebrate by planting trees and shrubs. This year's event will focus on the area east of Hiawatha near the new Martin Sabo bicycle/pedestrian bridge. The site is south of the trail and the 2008 planting site.

Tree Trust staff, Master Gardeners and Tree Care Advisors will provide education on tree and shrub planting. Snacks, coffee, water and shovels will be provided. Don't forget your gloves!

Please ride your bike if you can! Bicycle parking will be available on site. Automobile parking will be available at The Green Institute. (See map on reverse side.)

For more information or to volunteer, please contact Theresa Nelson, 612-879-0103, [Theresa@midtowngreenway.org](mailto:Theresa@midtowngreenway.org).
